- READ THE FOLLOWING, INITIAL WHERE INDICATED AND THEN SIGN BELOW:**

- Due to the specialized training and the amount of material covered in this six-hour course, **no classes may be missed.** It is at the discretion of the instructor whether a make-up is available.
- Rainbow Animal Assisted Therapy reserves the right to dismiss or exclude any team from the Intro class.
- Dogs must be in a permanent home for at least six months prior to enrolling in Rainbow and taking the Registry test. Any exception to this policy must be approved by the Rainbow Board of Directors.

For those interested in joining Rainbow:

- INITIAL:** Due to AAT protocols and program facility requests almost all Rainbow programs are conducted during weekdays (usually mornings) especially at schools and hospitals when staff and participants are available. Less than 25% of facilities visited have programs on weekends or during evening hours. While our library Read to the Dog programs usually are held on evenings or weekends, they do not meet on a regular basis. Most Rainbow programs focus on children and those with special needs. _____ (initial)
- INITIAL:** There is additional training required to work in a Rainbow hospital program. _____ (initial)
- Rainbow requires that all new members undergo a criminal background check as part of our membership process.
